Family Meeting towards the continuation of work

An important meeting was held, led by R' Mordechai Reisman Shlita, along with the R' Moshe Yitzchok Reisman Shlita, as the management of HFPJC, together with the R' Hershel Navi Shlita reviewed all the actions already done for the success of saving the cemetery. The Reisman family, headed by R' Mordechai Shlita, wholeheartedly committed to continuing their holy efforts for the benefit of the cemetery.

NASAUD, ROMANIA

Cemetery beautifully surrounded on all sides by the proper borders

Including the area where, unfortunately, non-Jewish graves have already been placed. Following the instructions of the HFPJC Rabbis, this section was separated by a light fence. It has also been re-included the nearby area, which B"H has not been used by the neighbors yet.

Restoration of the Ohel

The restoration of the holy Ohel of Baal Yad Yosef zk"l is now in full swing. The old foundations have been removed, and preparations are being made to pour the new foundation.

CERTIZNE, SLOVAKIA- MAJOR DISCOVERY

Following the completion of the fence construction and gravestones repairs, it was discovered the gravestone of Rabbi Avraham B"r Sharga, who passed away on the 1st of Rosh Chodesh Adar.

As it turns out, this is very likely the long-sought resting place of Rabbi Avraham Hoffkavitch z"l, the ancestor of the R' Moshe Aharon Hoffman z"l. (As Rabbi Nechemya Hoffman, descendant, gave over that it's known in the family that their grandfather Rabbi Avraham passed away the 30'th of Shvat, and that his oldest child was named Feivel...)
