Shehecheyanu v'kiyumunu v'higiunu lazman hazeh!

After years of tireless efforts, the holy work has begun in the following two cemeteries:

Vagvecse, Slovakia

Holes are being dug for the construction of the fence

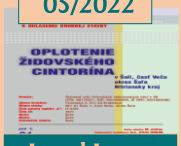

Following extensive efforts over the past nearly 10 years, during a period when prospects appeared unfavorable, B"H all outstanding obstacles have been overcome. Now is the time to warrant recognition for the many descendants for their exceptional commitment throughout. The initial phase of the project has begun with the installation of poles for the fence's first side
