Precious Opportunity

With gratitude to Hashem, we are happy to announce that the enormous effort invested in coordinating reconstruction of the badly damaged

Kobryn Cemetery

has resulted in a wonderful opportunity.

The HFPJC, aided by devoted Kobryn inhabitants, was able to get a competitive price quote for the erection of a fence around the cemetery.

This is a rare and precious opportunity to "buy" the merit of *Hazulas Meisei Mitzvah*

And with Prayer for the Future
