

A brief overview on our weekly activities

ועוד כי ראה להודיענו מקום קבורת האצות באשר אהנו חייבים לכבד מקום קבורת אבותינו הק' (רמזין חיי שרה)

Noteworthy Update!

Due to the inundation of calls at ext. 301 and 305 which resulted in a delay of returning the calls, we added a new Ext. 302 where callers will be able to relay their message to a personal secretary who will ensure a timely answer. We hope this will improve the communication.

Summer 2012

Cemetery in Ujfeherto (Ratzferd), Hungary - Resting site of Rabbi Hertzke'le Ratzferd'er zt"l

On behalf of all descendants we thank all who contributed to the maintenance of Ujfeherto, especially the honorable Rabbi Eliezer Kestenbaum, Founder and sponsor of Damesek Eliezer who generously pledged most of the maintenance expenses
