Meeting for the rescue of the Mariapocs Cemetery

Resting site of Rabbi **Yaakov Peretz** and wife **Frimet Silberman** ztz"l
Parents of the revered Rabbi **Hertzka'le Ratzferter** ztz"l

An urgent meeting was arranged where the following esteemed Mariapocs descendants attended:

- R' **Chaim Heller**
- R' **Chaim Shia Gross**
- R' **Shlome** and brother
- R' **Chaim Shulem Lefkowitz**

A full report of the recent trip to their ancestral cemetery was relayed. Observing the terrible destruction, with the cemetery completely abandoned and in private use, the descendants enlisted the assistance of the HFPJC to immediately launch the necessary preparations for a construction of a durable fence. The descendants are now fundraising the necessary costs to enable the project shortly.
