Notice of recent Maintenance Developments:

It is our honor and pleasure to take part in the mitzvah of arranging and executing the maintenance in your ancestral cemeteries. However, due to the myriad difficulties and exorbitant expenses involved,

We are now compelled to exclude all cemeteries in which the costs haven't been paid.

The following lists includes the cemeteries that are still under maintenance.

Please Note!

The cemeteries that will not be listed have been removed of HFPJC's maintenance system due to failure in remitting the maintenance fees. We strongly urge the descendants to either collect and remit the needed funds to the HFPJC, or to organize maintenance privately lest the beis hachaim is damaged due to lack of supervision. The HFPJC cannot be held responsible for any threats to these cemeteries' integrity.

Beware! Prior to contacting us with questions on the condition of your ancestral cemetery, please verify whether the site is in our maintenance system.
