A brief overview on our weekly activities

Those who labor for the public... will be repaid by Hashem

It's difficult to express our endless appreciation to an exceptionally devoted individual

R' Mechel Fischbein

Who has assisted the HFPJC since its inception. We express our heartfelt Mazel Tov wishes to him and his family upon the wedding of his son. May the enormous zechus bless him continuously!

היסוד שלשה עשר, תחיית המתים... וכאשר יאמין האדם חלה היסודות..מאווה ללחצו ולרחם עליו...
וכשתתקלקל לאדם יסוד מאלו היסודות הרי זה ילח מן הכלל... (מתו"ד הרמב"ם בפי' המשניות סוף מס' סנהדרין)

Williamsburg Residents, Congratulations!

With gratitude to Hashem, we thank and congratulate the scores of participants, especially all esteemed Rabbis and community members, who took the effort to partake in the informative event regarding the restoration of our ancestral cemeteries in Europe.

A separate note of appreciation to all devoted askanim who arranged this affair in a beautiful and organized fashion, to the satisfaction of all attendees.

During this remarkable event, the heroic and singular activities of Avoyseinu were presented through a striking exhibition in which a few of the 160 restored cemeteries were displayed in chronological, showing the many phases and obstacles each restoration project endures. The audience was deeply inspired by the dramatic slide presentation depicting more details of the activities, and left with a strong commitment to assist Avoyseinu, so that they're able to continue their noteworthy activities.

Those who couldn't attend, please partake in these noble endeavors by contacting our office at extension 304, or by sending in your generous contribution. May the tremendous merit of this mitzvah bless all its participants.

In the offices of Avoyseinu – the audience listens enraptured to the informative oration of Reb Chaim Refoel Ferencz. In the backdrop there's a banner posted back in year 2008, showing 125 restored cemeteries.

Exciting and educational game released by Avoyseinu!

Educating the young about the importance of restoring and preserving our ancestral cemeteries.
