After much effort and negotiations, we have received a partial grant for construction of the fence of the cemetery. This grand project is being carried out to the utmost satisfaction of the family members and government officials.

Being that a substantial amount of the expenses are not covered by the grant, the Committee is turning to the descendants of Nyirbator to join us and buy the merit of completing the מצוה. Please contact Avoyseinu: 718-640-1470x301\303
