Beautiful Reception held for Hungarian Ministers

This past week a beautiful reception was held with the participation of the esteemed Hungarian Minister **Dr. Magyar** and the Hungarian ambassador of New York **Dr. Kumin**. The reception was arranged by our loyal friend R' **Moshe Aron Hoffman Shlit"a** and was attended by leading Avoyseinu members.

There has recently been an awakening on the part of the Hungarian Government to better understand the importance of assisting in the maintenance and upkeep of Jewish Cemeteries. In his heartwarming speech the Minister exclaimed, "the sight of cemeteries being maintained with the proper respect brings back memories of Hungary's glorious Jewish past whereas the neglected and defiled cemeteries remind one of the years of destruction. It is an honor for me to get acquainted with the amazing work of Avoyseinu, an Organization that works systematically and always in a peaceful manner with the locals and government officials alike, and we greatly respect all those who lead and assist this worthy organization". During the reception a beautiful plaque was presented to the esteemed guests, and the Reich Family expressed their deep appreciation to the Ambassador for his assistance that enabled the start of the holy work in the Merk cemetery.

Partial list of attendees at the reception: Our loyal friend and supreme benefactor R' **Moshe Greenfeld Shlit"a**, Harav R' **Mayer Fried Shlit"a** (Balmazjuvaros), Harav R' **Mordche Berkowits Shlit"a** (Salaszend, Tokai, Bekecs, H.Mad, Karlat), Harav R' **Chaim Eliezer Gross Shlit"a**, Harav R' **Shaya Rubin Shlit"a**, Harav R' **Elya Gross Shlit"a** (Kerestir), Harav R' **Isaac Reich Shlit"a** and his family (Merk), Harav R' **Yosef Weiss Shlit"a** (Uhely), Harav R' **Chaim Heller Shlit"a** (Munkacs), Harav R' **Yoel Guttman Shlit"a** (Somozeg), Harav R' **Yosef Marcus Shlit"a** (Z.Agord).
