Beautiful gathering at the home of the Rav of Meged Yida Shlit"a

Many descendants and family members visited the gravesites of their ancestors in Sanisla with the Stopkov trip on 4 Adar. After witnessing from up close the restorations that are urgently needed, it was immediately undertaken to renew the holy site and bring it back to its former glory.

A Committee headed by the Rav Shlit"a was formed and we expect to receive assistance from family members in raising the necessary funds so we can start the holy work.

The undertaking was warmly embraced and it is expected to have all details arranged within the next few days with the extraordinary cooperation of the family members.
