Borsa, Romania

Phase #1 Completed!

Family members are pleased at the great progress in cemetery restoration after years of difficult negotiations

Headed by the esteemed grandchildren, through the efforts of the Committee, headed by our friends: Harav R' **Shulem Shia Walter Shlit"a** and Harav R' **Yida Mordche Deutsch Shlit"a**

Urgent appeal to the esteemed family members:

We are still in need of a substantial amount to enable us to continue with the next phase of fence construction in this season

You can acquire the zechus - A מצוה is called upon the one who completes it!

With much appreciation to Committee Member Harav R' **Shmelka Halpert** for arranging the partnership of the Rosh Hakhal of Bucharest to further the continuation of our holy work
