## ASSESSMENT REPORT

ט"סז

When the local railway was built before the war, 4m was taken from the cemetery, which was then 310m. The Jewish community at that time probably dealt with this issue.  
The current wire fence doesn't enclose the entire cemetery, but it's all the property of the Mazshisz so this problem can easily be fixed. On the opposite side of entrance, the neighbor took a small part of the cemetery. This can also be fixed easily.  
Mayor proved to be cooperative.

**Note: This Report is a rough estimate generated by the initial evaluation. details may change as project draws closer**
